

Stitch for Students
Volunteer Registration

Thank you for volunteering with Communities In Schools of Lexington/Davidson County's **Stitch for Students** project! We hope you will find tremendous satisfaction in helping our county's most vulnerable students, and have fun besides. In addition to the effort you invest at home on your own schedule, we would like to have participants meet each other and work together a few times before delivery in August. This would not be mandatory; just an opportunity for those with a common goal to come together for a time of fellowship and productivity.

To make it easier for us to keep you up-to-date on the project, we need the following information.

Name: _____

Address: _____

_____ Zip: _____

Phone: _____ (home) _____ (work)

_____ (cell)

E-mail: _____

Do you own or have access to a sewing machine? _____

Would it be helpful for you to see a completed blanket? _____

What other skills do you have that could benefit this sewing project?

Please check one of the following:

_____ Send my nap blankets to whichever school needs them most.

_____ I would like a specific school to receive my nap blankets.

(designate) _____

_____ I would like the school listed below to receive my nap blankets, but if this school has a full supply my blankets may go to another school in need.

(designate) _____

Thank you!
